# PHOENIX

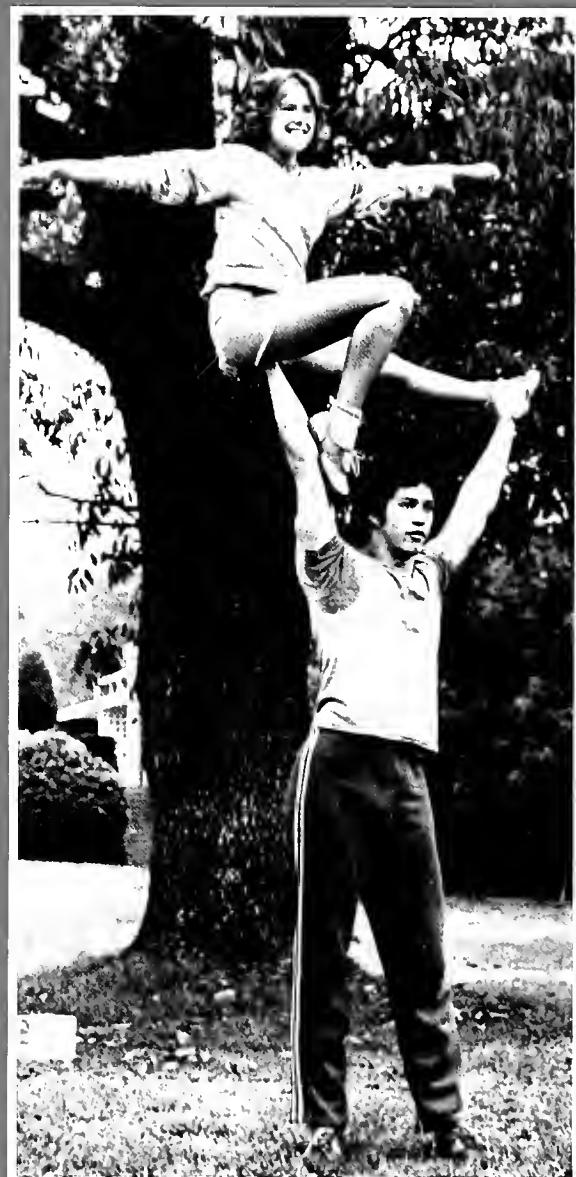

1980-1981

CUMBERLAND COLLEGE  
LEBANON, TENNESSEE

Every door provides both  
Opportunity and obstacle.  
For some every door  
Is a swinging door-  
Opening easily at their behest.  
While for others the door sticks  
And refuses to open despite.  
The most urgent shoves, kicks, and curses.  
However when this door finally gives  
The rewards it yields are worth the wait  
And persistence accorded them.

Each door that closes  
Opens one more.  
In his lifetime a person  
Passes through many doors.  
Some slam shut with finality.  
Others gently swing closed.  
Allowing a moment's glance at the past,  
But these glances rarely last long.  
For just ahead a new door is opening.  
Revealing a new world  
With new kingdoms to conquer,  
New dragons to slay,  
And new dreams to come true.  
Each door that closes  
Opens one more
